

IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE DISTRICT OF PUERTO RICO

IN RE:  
**VICTOR M REYES LEOTEAU**

CASE NUMBER: **16-02893-ESL**  
**CHAPTER 13**

Debtor(s)

**TRUSTEE'S OBJECTION TO CLAIM 19 FILED BY**  
**MILDRED S LOPEZ COLON**

**&**

**REQUEST FOR WAIVER TO PLACE BOND**

**TO THE HONORABLE COURT:**

**COMES NOW**, Alejandro Oliveras Rivera, Standing Chapter 13 Trustee, and very respectfully, **ALLEGES, STATES and PRAYS:**

1. On 07/14/2016, claim number **19** was filed by **MILDRED S LOPEZ COLON** in the amount of \$21,450.00. The trustee objects to this claim under the following grounds:

- **FBRP 3001(d) requires that the proof of claim filed as secured shall be accompanied by evidence of the security interest. Furthermore, under Puerto Rico Mortgage Law, recording in the Property Registry is essential to the validity of a mortgage. 30 L.P.R.A. 2607. In the instant case, MILDRED S LOPEZ COLON has failed to provide evidence of perfection of security.**

2. Trustee is required under 50 App. U.S.C.A. § 521(b)(1) to submit with this motion an affidavit stating whether the defendant (in our case, claimant) is in military service. The only manner in which trustee is able to determine an individual's military service is through the web page [https://www.dmdc.osd.mil/appj/scra/single\\_record.xhtml](https://www.dmdc.osd.mil/appj/scra/single_record.xhtml), which

requires the person's full name, date of birth and social security number. Trustee submits that he Trustee cannot determine if claimant is in military service, insofar as he does not have access or way to verify claimant's date of birth and social security number. The above said is attested in a declaration under penalty of perjury filed with this motion pursuant to 50 App. U.S.C.A. § 521(b)(1)(B).

3. When an affidavit is filed under 50 App. U.S.C.A. § 521(b)(1), indicating that the moving party cannot ascertain the defendants' military status, the court may order the plaintiff (in this case the trustee, as moving party) to place a bond. In this respect, 50 App. U.S.C.A. § 521(b)(3) provides as follows:

*(3) Defendant's military status not ascertained by affidavit*

*If based upon the affidavits filed in such an action, the court is unable to determine whether the defendant is in military service, the court, before entering judgment, may require the plaintiff to file a bond in an amount approved by the court. If the defendant is later found to be in military service, the bond shall be available to indemnify the defendant against any loss or damage the defendant may suffer by reason of any judgment for the plaintiff against the defendant, should the judgment be set aside in whole or in part. The bond shall remain in effect until expiration of the time for appeal and setting aside of a judgment under applicable Federal or State law or regulation or under any applicable ordinance of a political subdivision of a State. The court may issue such orders or enter such judgments as the court determines necessary to protect the rights of the defendant under this Act [sections 501 to 596 of this Appendix]. (Emphasis added.)*

4. In connection with the requirement of the cited section, trustee has attached to this objection the required declaration under penalty of perjury to attest that he is unable to determine the military status of claimant; insofar he does not have personal identifiable information of the claimant.

5. Additionally, as appearing from the cited section, this court has discretion to order or not the placing of a bond. Trustee requests that he be excused from placing the bond. In support of this request, trustee submits the following considerations:

(a) Claimant submitted to the jurisdiction of this bankruptcy court in this case by filing the claim. See *In re Asousa Partnership*, 276 B.R. 55 (Bankr.E.D.Pa. 2002).

(b) Trustee has notified Claimant of this motion, by sending him/or a copy of this document by regular U.S. Postal Service mail, at the address provided by Claimant in the proof of claim.;

(c) If an order is entered granting or denying the objection contained in this motion, Claimant has available the remedies under Section 502(j) and Federal Rule of Bankruptcy Procedure 3008 to request at any time before the case is closed, the reconsideration of the order allowing or denying the objection, upon showing cause. Thus, with such remedy, claimant has the ability to address any loss or damage he/she may suffer or may have suffered in connection with the order allowing or denying the objection.

(d) Pursuant to Bankruptcy Code Section 1302(b)(1), which cross-references Section 704(a)(5), trustee has a statutory duty to examine proofs of claims and object to the allowance of any claim, if purpose would be served. In connection with his duty, trustee submits that he has examined the claim and, as per the arguments stated in the objection, there are meritorious grounds for objecting the claim.

(e) Lastly, the cost involved in placing a bond for every objection of claims filed by individual would be extremely burdensome in the administration of this and all other cases

Page 4 of 6

handled by trustee, including consideration of delay in obtaining the bond and obtaining prior approval by the United States Trustee for each of such bonds. Additionally, obtaining the bond will represent an additional expense of administration, which may be in detriment of the creditors of this case and of other cases.

6. If despite trustee's arguments, the Court determines that the bond is needed, trustee requests that the court fix the amount required, as Section 521(b)(3) of the Servicemember Civil Relief Act provides that the bond will be "in an amount approved by the court". In fixing the amount of the bond, trustee respectfully requests that the court consider whether the claim is liquid or unliquidated. If liquid in nature, the bond could be equal to the amount of the claim. If unliquidated, the bond should be in the amount as per the estimation of the claim under Section 502(c) of the Bankruptcy Code, or, in the alternative, in the amount listed in the claim.

7. For the reasons stated above, the Trustee requests this Honorable Court to find that a bond is not required for the objection to proof of claim initiated in this motion, and consequently **allow proof of claim 19 as general unsecured.**

8. To the Trustee's best knowledge, information and belief, debtor(s) do not belong to the U.S. Armed Forces, the U.S. Coast Guard, the U.S. Public Health Service or the National Oceanic and Atmospheric Administration. A certificate issued by the U.S. Department of Defense, Manpower Data Center is attached to the

original motion filed and the Trustee's copy regarding the military status of Debtor(s).

**WHEREFORE**, the Trustee requests this Honorable Court to find that a bond is not required for the objection to proof of claim initiated in this motion, and consequently **allow proof of claim 19 as general unsecured**.

**DECLARATION UNDER PENALTY OF PERJURY TO CERTIFY TRUSTEE IS  
UNABLE TO DETERMINE CLAIMANT'S MILITARY STATUS  
50 App. U.S.C.A. §521(b) (1) (B)**

I, **Javier Vélez Torres**, of legal age, and employed as a Claims and Confirmation Clerk by the office of Standing Chapter 13 Trustee Alejandro Oliveras Rivera, declare under penalty of perjury the following:

1. The Trustee is filing with this declaration an objection to proof of claim No. **19** filed by individual of the name **MILDRED S LOPEZ COLON**.

2. The only manner in which the Trustee can verify if an individual is in military service or not is through the website [https://www.dmdc.osd.mil/appj/scra/single\\_record.xhtml](https://www.dmdc.osd.mil/appj/scra/single_record.xhtml). This website requires personal identification information of claimant **MILDRED S LOPEZ COLON**, including date of birth and social security number. The Trustee does not have the claimant's date of birth and social security number.

3. Accordingly, the Trustee is unable to determine whether or not the claimant is in military service.

4. I provide this declaration in compliance with P.R. LBR 3007(a) and section 201(b)(1) of the Service Member Civil Relief Act ("SCRA").

 Arlington, VA 22350

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 501 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service via this URL: [https://kb.defense.gov/PublicQueries/publicQuestions/FaqsAnswers.jsp?Subject=Locating Service Members or Getting a Mailing Address](https://kb.defense.gov/PublicQueries/publicQuestions/FaqsAnswers.jsp?Subject=Locating%20Service%20Members%20or%20Getting%20a%20Mailing%20Address). If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 521(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

## More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

## Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.
